

WARNING

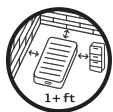

WARNING

Babies Can Suffocate

To prevent suffocation and death, never place a baby 15 months old or younger on this product.

Child Entrapment Hazard

Always position product 1 ft (30 cm) or more away from objects such as walls and dressers to prevent a child from being entrapped.

Keep product fully inflated when in use. See instructions for any additional warnings.

TECHNICAL ADVICE

- Keep away from heat sources and fire.
- Avoid the sharp and rough objects, or the airbed may get damaged.
- Do not over-inflate or jump on the airbed, doing so may decrease the airbed's life span.
- The airbed is not a life saving device, do not use in water.
- **NOTE:** All drawings for illustration purpose only. May not reflect actual product. Not to scale.
